

THE ACTIVITY GROUP

WELCOME TO OUR WEBSITE!

The Activity Group was founded by pioneers in the adventure travel and activity services industry. The company is the leading activity tour provider in Iceland.

The Activity Group owns and operates super jeeps and super trucks, snowmobiles, quad biking tours, horse riding tours, base camps and more throughout the year for both individuals and groups.

All the information you need is conveniently found here on our website. You can easily find out which tours are available, general information about the service with which we can provide you, see new pictures and even book the tour of your dreams.
