## Northern Lights Hunt / Midnight Sun and Dinner

### Evening Tour

Departure from Reykjavík, the 4x4 Super Jeep takes you on a twilight tour chasing the Aurora Borealis - Midnight Sun in the summer.

We take you on a mystery-filled tour by super jeep/truck; a tour spiced with excitement and surprises, away from the city lights and into the barren landscape in the outskirts of Reykjavík in search of the elusive Northern Lights. On a clear night and with a little luck we can see the lights swirl around in dramatic shapes across the night sky &ndash; truly an amazing sight.

Further towards the south shore we go to a small seaside village and visit a cozy restaurant, with a warm and friendly atmosphere. We will enjoy a delicious lobster and fish dinner. \*Drinks not included.

Please note that this tour depends on weather conditions and we reserve the right to cancel if the circumstances are not favorable.
